Hi! My name is Maddie and I'm about 12 years young. The majority of my life has been kind of difficult but I'm loving my new life now that I've been rescued! I've been enjoying warm baths and I keep hearing how beautiful my curls look. I also hear that my new "makeover" looks gorgeous. I love other dogs (big and small) and cats too. I like going for short walks and have fun hanging out with my new dog friends. Mainly, I would just love sitting beside you and hearing you talk to me. I'm a good listener. I am learning that toys can be fun and dog beds are the best! My naps are so comfy! I do great alone in the house. I may be a bit stiff but with my new diet, some meds for my joints, TLC, and more activity... my body is feeling so much better and I can't wait to see what each day brings. I'm looking for my forever home and hope to meet my new family soon!
