Maizie is looking for her furever home. She is a 33 lbs female doodle that loves to play with her golden foster brothers once she has a proper meet and greet. Since her previous owner was home during the day, she does better with a family that is not gone for a full work day. She lived with two boys and loved to hang out. She could use a refresher training class to reinforce good manners. Let us know if you might be interested in learning more about this beautiful girl.
