Hi! My name is Kailey and people also call me KK. I'm looking for a forever home where I can hang out and be your best buddy. I enjoy meeting people, getting lots of pets, going for walks, car rides, and hanging out with other big and small dogs. I'm a pretty calm, sweet, and mellow girl. People say they love my thick, wavy coat. I've been told there are times I get too excited when I see gophers or chickens so I need to avoid them. I'm loving the TLC I'm getting right now and my tail just continues to wag while eating at meal times. I hope to meet my new family soon. Seniors are spectacular!
