

In Memory of Mikie Morgan

Mikie Morgan passed on May 27th at the age of 9 years 5 months after battling cancer. Mikie came to us thru NGRR on December 17, 2000. By Christmas time we knew he was never leaving the Morgan's home. We adopted him after finding out that we were his fifth home at the tender age of 11 months. His issue was simple, do not leave him outside in the back yard alone or he will bark his little head off. So he instantly became the Golden house dog. Mikie starred in a commercial on television, and worked as a

therapy dog for 7 years; visiting many assisted living homes and skilled nursing facilities bringing many smiles of joy to the elderly. He also visited a special needs program school and was the star with all of the kids.

Mikie was a great ambassador for NGRR. People could not believe that he was a "throw away dog". I think that 99% of the people coming to our home to adopt dogs, would say "We want Mikie". A friend of ours used to say that if you looked up "cool" in the dictionary, you would see Mikie's picture. He looked especially handsome when he wore his doggles. He participated in numerous Halloween parades and costume contests.

Those of you who knew and met Mikie knew he was our Golden angel and will have the largest wings in heaven

Mikie had the greatest smile ever.

With heavy hearts,
